The Case Against Greg Abbott: A Public Indictment for Constitutional Violations and Crimes Against Humanity

By Cliff Potts - Occupy25.com - August 6, 2025

Greg Abbott, the sitting Governor of Texas, has presided over a regime defined by cruelty, disregard for the law, and escalating authoritarianism.

The following constitutes a formal public indictment detailing his willful violations of the Texas Constitution, federal law, and international human rights standards.

## **I. Dereliction of Constitutional Duty**

Under Article 4, Section 10 of the Texas Constitution, the Governor is required to "cause the laws to be faithfully executed." Greg Abbott has not only failed in this duty - he has openly subverted it.

## **II. Operation Lone Star: State-Sanctioned Violence Against Migrants**

- Barbed wire traps, razor-blade buoys, and deterrent measures have injured or killed multiple migrants - including children.
- Orders to withhold water, deny medical care, and push back asylum seekers violate both domestic and international law.
- Two confirmed deaths by drowning linked directly to Abbott's river barriers.

## **III. Abuses Within Texas Child Protective Services**

- Thousands of children placed in unlicensed or abusive facilities.
- Court orders for reform ignored.
- Children forced to sleep in government offices.

## **IV. The SB 8 Abortion Bounty Law**

- Empowered civilians to sue abortion facilitators.
- Bypassed judicial review.
- Disproportionately harmed low-income individuals and people of color.

## **V. Suppression of Free Speech and Right to Protest**

- Criminalization of peaceful protests.
- Targeting LGBTQ+, BLM, and student demonstrators.
- Violation of First Amendment and Texas Bill of Rights.

## **VI. Misuse and Abuse of the Texas National Guard**

- Forced deployments under political pretext.
- Unsafe conditions and suicides among troops.
- Lack of mission clarity and due process.

## **VII. Systematic Voter Suppression**

- SB 1 restricts ballot access and criminalizes aid to disabled voters.
- Targeted high-turnout urban counties.
- Violates the Voting Rights Act and ADA.

## **VIII. Gross Negligence During the 2021 Power Grid Crisis**

- Ignored energy grid warnings.
- Over 700 deaths during Winter Storm Uri.
- Shielded corporations from liability.

## **The Case Against Greg Abbott**

### IX. Attacks on Transgender Children and Families

- CPS investigations against families providing gender-affirming care.
- Drove families out of state in fear.
- Violation of equal protection and medical privacy.

### X. Book Bans and Educational Censorship

- Banned books on race, gender, LGBTQ+ issues.
- Whitewashed history in school curricula.
- Direct assault on academic freedom.

### Conclusion: Time for Removal, Recall, or Resignation

Greg Abbott has violated public trust and the law. He must be recalled, removed, or resign for the survival of Texas and its democratic values.

This is not politics. This is justice. This is survival.
